Slate Stone
Recreating the striations of natural slate, this technical porcelain is available in a range of larger formats. A subtle colour scheme and excellent grip resistance permit many design applications.

*For LEED, BREEAM and WELL information, please ask for details. On request tiles can be tested to PTV BS7976-2. HSE surface roughness and NCS Colour values are also available upon request. All sizes shown are nominal. Due to the printing process and differing screen values actual tile colours may vary E&OE.
